

Oxford County Boys and Girls Lead State in

Girls Lead State in Club Work

Although Oxford county club members held the state by having the largest enrollment, yet the margin was somewhat narrow during April. The neighboring counties of Androscoggin-Sagadahoc are next on the line with 31 members less.

Not only does Oxford county lead the state in having the largest enrollment of girls, but also stands first for having the greatest gain over 1927 on similar date, being 192 more boys and girls enrolling in April 30 than there were last year at that time. During the month of April the enrollment for this county increased 38 as compared with over 100 during March. Kennebec county made the greatest gain during April, adding 55 to its enrollment and bringing the total to 275.

A gain of 706 members was reported in April according to the reports of the club leader, Lester H. Sibbles, bringing the total for the state up to 2447, which is 364 more than last year on similar date, which was the best gain reported in the description of but one year, 1926, on high record was established.

During the month of May it is expected that the Oxford county enrollment will be a good many more boys and girls, however, and also with the enrollment of boys and club members in Rumford.

Not only does Oxford county lead the state in having the largest enrollment of club members, but also stands first for having the largest gain over 1927 on similar date, there being 150 more boys and girls enrolled on April 30 than there were last year at that time. During the month of April the enrollment for this county increased 35 as compared with over 100 for the entire year. Kennebec county made a gain during April, adding 99 members and bringing the total up to 221.

A total of 704 members was reported according to the reports of club leaders, Lester H. Shibles, bringing the total for the state up to 2945. This is more than last year on similar date, which was the best on record for the year of but one year, 1925, when the record was established.

During the month of May it is expected that Oxford county enrollment will increase and jump, as roads become improved and also with the enrollment of boys and girls club members in Rumford.

THIS IS THE JOHN DEERE SPREADER

It is the only spreader having the beater on the axle. Main axle serves as shaft for the beater and other important parts.

HIGH WHEELS AND LOW BOX. Easier on both the horses and the man. The spreader can be easily loaded from either side or from behind.

THE BEATER IS MOUNTED ON ROLLER BEARINGS. The beater drive gears are enclosed and run in a bath of oil. No clutches, no chains and no belts.

THE JOHN DEERE SPREADER IS VERY SIMPLE. Only about half the parts that are necessary on the ordinary spreader.

THE LOAD MOVES ON ROLLERS. THE BEATER RUNS NEAR THE GROUND. THE PRICE IS NO HIGHER.

Oxford County United Parish

Including Albany, North Lovell, East Standish, and the Waterfalls. Pastoral Staff: Revs. W. I. Bull, B. F. Wentworth, A. C. Townsend

On Thursday, May 3, representatives of all the local parishes gathered at the Waterfalls for the bi-monthly meeting of the Council. But the meeting was not held. When the delegates arrived they found the church in the midst of a fire. The church was burned to the ground. The fire started in the kitchen and spread to the main hall. The fire was extinguished by the fire department. The church was a large building and was a great loss to the community.

Before you select your next car see what General Motors offers

GENERAL MOTORS was organized on the principle that a group of strong companies, working together as a family, could serve the public better than they could separately.

The public has approved this principle. In 1924 one out of every six cars chosen by the public was a General Motors car. In 1925 the proportion was one in five. In 1926 it was one in four.

And last year it was one in three. The improvement in General Motors products is continuous. Great Research Laboratories are constantly seeking new paths for betterment. A 1245-acre Proving Ground tests all that science has discovered and proves each new design before it is offered to you. Each year there has been a steady advance in the quality, performance and beauty of General Motors cars, with no increase in price.

7 famous cars-86 models
\$495. to \$5500. (FOB Factories)
and the low-cost
GMAC Purchase Plan

The General Motors cars are listed on the coupon below. They include a car for every purse and purpose—passenger cars and trucks—models of every kind—fours and sixes and eights. You may select any model with full assurance that by every test it offers the largest value per dollar in its price class.

The passenger cars include 86 models, ranging in price-at-the-factory from \$495 to \$5500. All closed bodies are by Fisher. All cars have four-wheel brakes. All have quality where quality counts most in long life and high resale value. All are backed by service organizations which are permanent.

CLIP THE COUPON

It will pay you to see what General Motors offers before you select your next car. Compare General Motors quality and value in each price class. Learn about the tests General Motors applies to all cars produced here and abroad, at its great Proving Ground. Consider the importance of a time payment plan which gives you low rates, because of the volume of business handled. Remember that you are assured of service, because General Motors dealers are everywhere.

By using the coupon below, you can bring into your home immediately full, illustrated information about any or all of the products made by General Motors. With this will come a new book called "Principles & Policies." You will find it unusual reading, for it takes you behind the scenes and shows just what General Motors is and what it is doing to continue to merit public goodwill.

If Mothers Only Knew

Thousands of Children Suffer from Worms, and Their Mothers Do Not Know What the Trouble Is.

Signs of Worms are: Constipation, dejected stomach, swollen upper lip, offensive breath, hard and full stomach with pains, pale face, eyes heavy, short dry cough, grinding of the teeth, little red spots on the tongue, starting during sleep with troublesome dreams, slow fever.

Mrs. H. N. Roberts, 502 Asylum St., Flint, Mich., writes: "My little girl is relieved of her worms." And in a later letter wrote: "Baby is fine and it was your Dr. True's Elixir that helped her."

Dr. True's Elixir

The True Family Laxative and Worm Expeller

A pure herb laxative and not a harsh stimulant; quick, natural relief from constipation.

"Kolo" Dusting Materials

The New Dusts you can see Stick

give more permanent protection from each application

These "Kolo" Dusting Materials have sticking properties not found in any other dusting material. They may be applied with equal effect to either wet or dry foliage, and after once "set," will stick for weeks throughout rain and wind. This dust is a visible sticker. You can see it plainly without lens or microscope. Experiments demonstrate that this sticker dust retains a larger percentage of sulphur on the leaf surface for a longer period than is the case of "Lime Sulphur" Solution, or most any other liquid spraying material.

KOLODUST

Kolodust is the Superior Fungicidal Dust for all applications where no poison is necessary for chewing insects.

KOLOTEX

Kolotex is the Superior Fungicide Dust combined with Poison for chewing insects, for application where it is desired to control chewing insects as well as fungus diseases.

Funeral of Mrs. Etta Tilton—Mrs. Per-
ham Injures Arm—Grange Program—
Farm Bureau Meeting—Horse Noyes
Dead—Meeting of Sunday School As-
sociation.

The funeral of Mrs. Etta Tilton, who
passed away at the home of her sister,
Mrs. Lura Trumbull, in Massachusetts,
Saturday afternoon, Rev. A. W. Young of-
ficiated. The funeral service was beauti-
ful. Mrs. Tilton, as so many called
her, was born in Woodstock eighty-four
years ago and was dearly loved by all
who knew her. She is survived by two
daughters, Mrs. Lila Cummings and Mrs.
Lara Trumbull of Massachusetts, a sister,
Mrs. Mary Cole of Bethel, who has
been the own sister to her. An
uncle, Mrs. Mary Cole of Bryant Pond,
has several nieces and nephews and
cousins. Mrs. Lura Trumbull, son Lyn-
dell, also a Lieutenant and wife of Mas-
sachusetts, Mrs. Mary Cole of Bethel, and
daughter of Mechanic Falls attended
the funeral.

Dr. Mason Allen, wife and son, of Port-
land, were week-end guests of his parents,
Mr. and Mrs. Mark C. Allen; they also
called on his grandmother, Mrs. Jennie
Andrews, and aunt, Mrs. Mabel Mann, at
West Paris.

Mrs. Taylor of Mechanic Falls spent
the week-end with her mother at the
home of Clifford Taylor.

Mrs. Sophie LeMay has returned home
from her visit in Portland.

Mrs. Caroline Perham met with a pain-
ful accident. She caught her finger in
the electric wringer and drew in her arm.

Franklin Grange, Bryant Pond, met
Monday with every officer present. More
applications for membership were re-
ceived. The next meeting will be May

Fog of Norway.

He was over
seventy years of age. Mr. and Mrs.
Noyes celebrated the 50th wedding anni-
versary not long ago. Mr. Noyes has
been a hard working man all his life un-
til this illness. A kind neighbor and
for in his sickness by his wife and chil-
ren, also the grandchildren. He was born
at Greenwood, Maine, but had spent near-
ly all his married life at Bryant Pond. The
funeral was held May 8, at 1 o'clock p. m.
at the Baptist Church, Rev. A. W. Young
officiating. Alden Chase rendered two
solos. The floral tribute was abundant
and beautiful. The seven children and
several grandchildren were present at the
funeral. Interment will be at the ceme-
tery in Greenwood. There were many
relatives from out of town.

The Central District of the S. S. As-
sociation met at the Baptist Church at
Bryant Pond Thursday, May 3rd. There
was a very large attendance and a very
nice meeting. There were several church-
es represented and superintendents from
these churches. They were from West
Paris, South Paris, Paris Hill, Norway,
Oxford, Bethel and other places. The
address given by Rev. Edward Brewster
in the forenoon was much enjoyed. Din-
ner was served at the Grange Hall at
noon. The afternoon was given to songs
and talks on Sunday School and business
session and election of officers.
